## BUFFALO NEWS NOTES STARS AVAILABILITY

In their December 4th edition, the Buffalo News highlighted a recent presentation to the Town of Hamburg board about STARS availability for emergency communications. ## LETTER TO THE EDITOR

The past few years have been ones of despair for STARS; that is for sure. The tower guy wire being hit, causing the tower to come down was just the start. We then found out our insurance was nothing more than home renter's type insurance. That is, once you read the exclusions (Form XYZ\_123 and a dozen more), which they never sent us until we filed a claim. We found out we had nothing but the tables and chairs insured. Strike three was proceeding to put a new tower up. We ran into a paperwork mess with the town. About this time the grape vine had STARS going down for the count. Some were already sending their condolences. Others were posting "RIP STARS" on social networks. ON top of all of this we have had very active key members die, move out of the area, or their job was forcing them to adjust their hobby time. Things looked very black indeed.

Along comes the sun burning off the dark cloud. We have just a few I's to dot and T's to cross and the agreement with the town will be ready to sign. The agreement is now fair for both sides. We have rights, as does the town. That was a long hard negotiation with the town. I can't say enough for the diligence and expertise of Ed, KB2KVA. He is a lawyer by day and the saver and defense lawyer of STARS by night. Without his input and word wrestling with the town lawyer, there would not be a fair agreement.

We dumped our old insurance company like a hot potato. Our new insurance company knows what we are and what we do. All of our equipment, including the tower (to be), is listed on the policy. No exclusions - NONE! We also pay less than we did before. So, we have a win-win here with our new company.

We have some new officers for 2012. We have new chairpersons for our different positions. A new Telstar editor, Tom, KA2NXY, has been doing a wonderful job. He has not missed a beat. The high quality of the club paper is still being maintained. Pat KC2VWG is doing a great job as clubhouse chairperson, again, not missing a beat. The things going on at club house are just as exciting as in the past.

Everything with the club is on track. The club is as strong, even stronger than it was before all these problems hit us.

What is going to happen in 2012? For one, the tower

is going up. We will need all the help we can get for this. The new (to us) free standing tower needs to be painted. The rotor needs to be checked out. Tons of work is needed just to get ready to put it up.

The reason for this letter? The club is NOT going down the tube. If you have not renewed your membership as it might be putting your money down a sewer, no fear. **STARS IS HERE TO STAY.**

You no longer need to be just a paper member. You have skills we need and could use. Within the club I know we have very talented people. Not just ham skills but skills needed for the upcoming plans. There is nothing new in this letter for the members who attend meetings. They know what is going on. If you have been missing meetings, now is the time to get active again. You may have given up on STARS, but STARS has never given up on you. Come back and enjoy the fun you had in the past. I, for sure, **AND OTHERS**, will give you a big smile. That in itself has to be worth paying your dues and coming to the meetings. Hi Hi Hi Hi

John, KA2RFT

# NEW OFFICERS INSTALLED AT DECEMBER MEETING AND HOLIDAY PARTY

(photos by Keith Patterson, KC2DGC)

The annual holiday party took place at the December meeting, held at the Hamburg Youth Center. In addition to the traditional pizza and wings, members contributed a wide variety of desserts and side dishes. Certificates of Appreciation were presented to Wayne Carpus, W2ZDP, for services rendered as STARS president, and to Edward Taublieb, KB2KVA, for professional legal services regarding recent antenna issues and other negotiations with the Town of Hamburg.

Left-over desserts that were not reclaimed, were donated to the Town of Hamburg Emergency Dispatch Office, to be shared with emergency service dispatchers and police officers.

New officers (L to R) John Leitten, KA2RFT, John Czuba, W2IV, Keith Patterson, KC2DGC, Judy Levan, N2TEZ, Ken Pokigo, KC2AYK, sworn in by Wayne Carpus, W2ZDP.

## FROM THE PAST PREZ

For the past two years, it has been my honor and privilege to serve as your President. We have seen several challenges surface that have caused some pacing of the floor. More than a few heated discussions have occurred at the Board of Directors meetings, but through it all we have

worked together, and our Club has emerged stronger.

I would like to thank Keith Patterson, KC2DGC and Ed Taubleib, KB2KVA for their numerous hours of work, getting a written agreement with the Town of Hamburg covering our Clubhouse. For years we operated with no more than a handshake and a Gentleman's agreement, but all things change, and I feel that we will better for it.

I would also like to thank the entire Board of Directors for their help in guiding the Club into a new era, where we all will greatly enjoy the fruits of their work.

To you, the rank and file of the membership, Thank You for your support, not just for me, but the entire Board of Directors. Your continued support is making OUR club, the BEST around.

Last, but not least, my congratulations to Ken Pokigo, KC2AYK, our new President. Ken will lead us with great vigor, and keep our Club moving forward.

As you read this, the Holidays will be gone, and added to our memories. I hope that all had a wonderful holiday season and I hope that all will have a Happy and Joyous New Year.

Wayne, W2ZDP  
Past Prez
