# MEMBERS SEEKING TOWER ASSISTANCE

The paperwork is all done. Orchard Park has granted the appropriate permit for Ed and Linda Jablonski (KC2YMN & KC2YMM) to erect an antenna tower on their California Road estate. However, neither Ed nor Linda has all the information necessary to accomplish the task.

Ed and Linda need two types of assistance. First, they need help in planning for a tower erection. Second, they may need "muscle power" to help put up the tower. They are seeking such assistance from the STARS membership.

If you can help Ed and Linda, please contact them.

# K2DSO - SK

It is with regret that we announce the passing of Joseph Margarone, Jr., K2DSO, of Milestrip Road in Orchard Park.

Joseph became an amateur operator in the early 1950's. Shortly thereafter, he started the radio club at Canisius High School, a Jesuit school in Buffalo. Joseph once commented, "Through all of these years it has been a great hobby and I love it still as much now as then. It would be wonderful, if the world's government leaders could get along as well as their amateur radio operator citizens interact."

# FROM HAM & EGGS TO COFFEE & DONUTS

The informal breakfast gatherings held on the 4th Saturdays at Peg's Place, have been relocated to a Tim Hortons Café in Hamburg.

Join other amateur radio operators at 9 AM on the 4th Saturday of each month for a light breakfast. The Tim Hortons Café is located at 342 Buffalo Street (US Route 62) in Hamburg, just south of Legion Drive and/or Camp Road. It shares a parking lot with the CVS pharmacy.
