

JANUARY MEETING (THURSDAY, 1/3/2019)

The first meeting of 2019 will take place at 7 PM on January 3rd at the Hamburg Memorial Youth Center, 200 Prospect Street, Hamburg. The 2019 officers will be installed.

The Club is seeking ideas on what to do in the upcoming year. Some topics already in the running are a new build project, running a General licensure class, running an Extra licensure class, setting up a satellite antenna system, & participation in more contests.

Come on down and let your ideas and wants be known!

The Clubhouse near the Hamburg Ice Arena is a goldmine of activity. Bring your HF rig down and see how it works on the 40 meter beam. Working the UK, France & Spain is not hard. The UHF and VHF antennas are also fun to use.

Keep in mind that many new hams come to the Clubhouse to learn how to operate and program their radios. Please accommodate these new members by helping them! Help them "speak up".

ANTENNA AVAILABLE

The Hy-Gain TH-6 antenna, formerly above the **STARS** Clubhouse is available for \$125.

It's a big antenna, 24 feet square. It will need a few nuts & bolts. Otherwise, it is complete, with a great performance history.

Contact Treasurer John Leitten for details.
johnham334@aol.com or 648-0341.

CABINETS AVAILABLE

The radio equipment cabinets from the Colden repeater site are now available. They can be seen at the **STARS** clubhouse.

Best offer and they are yours.
